

**APPEARANCE/PARTICIPATION RELEASE  
PARENTAL CONSENT FORM**

It should be noted that the chosen tournament game, has an ESRB rating which recommends gamers of the age of 17+. This essentially means the game includes Blood and Gore, Intense Violence and Strong Language. By a parent or guardian signing this form, they understand these age recommendations but still allow the underage video gamer to participate in the tournament.

**I the parent or guardian have read and understand the above paragraph. On behalf of Minor, I am signing it voluntarily, without any duress or undue influence.**
